LEGGERE STRUTTURE ART FACTORY

Artistic Director Mattia Gandini

“Leggere Strutture Art Factory” is a cultural container that works 100% on the artistic and creative production and on professional training in the field of dance, theatre and art.

The Centre welcomes national and international projects establishing itself as a container for the diffusion of the arts and creativity.

ART FACTORY INTERNATIONAL

Artistic Director Brigel Gjoka

A.F.I – Dance Start Up is a professional training program for dancers, with the duration of 8 months from October to May for a total of 960 hours. The platform offers an intensive route in different disciplines, giving every participant the opportunity to put themselves to the test daily with classic and contemporary dance lessons, choreographic composition workshops and improvisations.

Every month the program holds seminars and workshops conducted by international artists and choreographers.
